

Mevogra NV has a large assortment of teak interior furniture directly imported from Indonesia. In addition to the models in our showroom, simple orders (no built-in cupboards) can be made according to the client's wishes. Our assortment also contains contemporary greyed oak furniture. Sofas and chairs in pure linen or other fabrics complete the offer.

Although we aren't always blessed with the nicest of summers, outdoor living is becoming increasingly popular. Each year, our offer is completed with novelties, such as modular outdoor lounge suites and outdoor kitchens with gas BBQ and all..
